Welcome back to all families for 2013 and particularly to the new families who are attending Burnside Primary School for the first time! 2013 will be another fantastic year in Sport at Burnside Primary which keeps getting bigger and better.

At Burnside Primary School all students are encouraged to be physically active, eat healthy and ‘have a go’. We have an extensive school and After School Sports Program in place and encourage you all to take the time to read the following information. Sports Newsletters will be uploaded onto the School Website throughout the year so please make sure you read them to keep up to date with all the School Sports news.

The School Sports Website is once again online and fully functional.

The School website address is [www.burnsideps.sa.edu.au](http://www.burnsideps.sa.edu.au) then click on sport. I welcome any feedback about the website so please let me know!

The School House Team Captains and Vice Captains have been elected for 2013 and we would like to congratulate the following students:

**PENFOLD HOUSE**
- **CAPTAINS**: Holly Cunningham, Jake Elias
- **VICE CAPTAINS**: Piper Sard, Jack Toll

**FLOREY HOUSE**

School House Captains and Vice Captains have the role of leading their House teams and being involved in the organisation of Whole School Events, lunchtime sports and presentations at assemblies.

Thankyou to all of the families involved in the Summer Sports Cricket and Softball for returning your Term 1 Sports Nomination Form by the closure date. We currently have 9 Cricket teams nominated and 2 Softball teams nominated.

Please remember to contact me on 0439 840 776 if any queries regarding after school sport arise. All P.E and SAPSASA queries are to be forwarded to Derek Ince.
GENERAL INFORMATION

AFTER SCHOOL SPORTS - TERM 1

School Sport is about participation, equal opportunity and game time. Coaches and Managers endeavour to develop skills in their players and for them to try various positions but also to foster positive relationships amongst team members. All players should aim to develop a greater sense of team and team work throughout a season.

Any concerns regarding student behaviour at After School Sport should be forwarded to the Coach in the first instance who will liaise with the Sports Administrator where it can be followed up further.

All Cricket and Softball teams have commenced the season and we have included a page containing all of the training times, training venues as well as the Coaches and Managers for each team. Thankyou to the many parents who have volunteered to either Coach or Manage a team and to the parents who will continue to support them in their role during practices and games. Basketball teams are continuing on from Term 4, 2012 and are in the final stages of their seasons.

The Netball Nomination form for Term 2/3 After School Sport has been uploaded onto the Schools Website. Hard copies of this document are available in the Front Office.

These forms are due on Tuesday 5th March, Week 6

GOODLUCK TO ALL THE STUDENTS AND PARENTS INVOLVED IN AFTER SCHOOL SPORT IN TERM 1!!

LUNCHTIME SPORTS

Our successful Lunchtime Sport program will be in operation very soon. This is a great opportunity for our House Captains and Vice Captains to be involved in leadership within the School.

The Lunchtime sports program will again be supported by our staff members.

Children will be involved in set activities during lunch times. Over the year students will undertake European Handball, Indoor Soccer, Netball and Six Square Dodge. I look forward to this program once again this year!

SCHOOL SPORTS POLICY - 2012 EDITION!

The school has created a Sports Policy booklet which is provided to all Coaches and Team Managers at the commencement of each season. This policy outlines the opportunities, responsibilities and commitment required by players, parents, organisers and spectators and we urge you and your children to read and discuss this information together. The policy was reviewed during 2011 and readily available from the Front Office.

HOT WEATHER POLICY

Training: When the forecast temperature for a day is 35 degrees or over on the front page of that day’s Advertiser, afternoon training scheduled for outdoors will be cancelled for all sports. Before school training occurs regardless of the forecast, due to the milder temperatures at that time of the day. All trainings in the New Gymnasium also occur regardless of the forecast due to the Air Conditioned facility.

A red sign stating “After School Sport Training Cancelled” will be placed on the Sports Noticeboard on days when this Hot Weather Policy is applicable.

Cricket: Friday / Saturday outdoor matches will be cancelled at 38 degrees or over. Check the Advertiser the day before match day to confirm forecast.

Softball: Saturday morning 8:30am games are to be held irrespective of the forecast temperature. The coaches will make a decision to modify/ reduce game time on the day if required. Saturday morning 9:45am games are automatically cancelled if the forecast temperature in Friday’s Advertiser is 38°C and above.

Unley Sport for all Centre - Hot Weather Policy

Relating to midweek Basketball

When the advertised temperature is 36 degrees or over according to the 7:30 news (10am on Sundays) on NOVA 91.9FM all matches for these competitions will be cancelled. If you miss the forecast, please DON’T CALL the Nova Newsroom but you can call the centre on 8272 2121.

Please contact the centre on 8272 2121 if you have any queries relating to this policy after 2pm.
GENERAL INFORMATION

STUDENT ACHIEVEMENTS

Please don't hesitate to forward any information pertaining to student's sporting achievements at Burnside Primary School to Brad Schutz at brad.schutz@burnsideps.sa.edu.au or contact him on the Sports hotline number 0439 840 776.

We have very talented sportspersons at Burnside Primary School and in 2013 we would like to receive any information regarding these achievements to include in the Newsletter.

PRE TRAINING SNACKS

Energy levels can be low after a long day at School. We encourage you to provide your children with a healthy snack such as a banana, apple or orange for them to eat before they start training and a drink. No After School Sports teams start their training right on 3:20pm so there is plenty of time for them to eat something to boost their energy levels.

DAILY P.E PROGRAM

Where possible, please ensure that your child / children wear appropriate clothing and footwear to lessons to enable them to participate fully in PE. Students are to be organised with a school hat and are encouraged to bring a water bottle to lessons. If your child uses a puffer regularly due to Asthma it is advisable that they get in the habit of using this before they come to their PE lesson. This Term the children will get to learn Volleyball, Table Tennis (Yr 3-7 only) and Korfball. R-2 students will get some exposure to Volleyball and Korfball albeit very modified. They will also have lots of exposure to tag games and teamwork games and lots of running activities and ball games. Please speak to your child's teacher for timetable information regarding lesson times.

Derek Ince—PE Teacher

Sports Hotline

If you have any queries regarding After School Sport please don't hesitate to call Brad Schutz, Sports Administrator on the Sports Hotline Number 0439 840 776 weekdays.

Website - Sports Information

In 2013 all information related to School Sports will be provided by the Schools Website. This information includes the After School Sports, SAPSASA, Sports Newsletters, Sports Advertisements, Sports Calender, Sports Policies and External Sports Program information.

Knockout SAPSASA - Parent Volunteers Coaches!

Once again in 2013 it would be fantastic to have parents Coach our SAPSASA (predominantly Year 6 and 7 students) Knockout teams. SAPSASA is an elite competition in which the School selects our best students (refer to SAPSASA Selection Criteria) to represent our School. The coaches role would be to negotiate selection trial times held at the School where they will be supported by the P.E Specialist teacher and Sports Administrator to select students for the team, organise and take training sessions leading up to games and to coach the team on game day (held during School time). The following teams require a coach: Boys and Girls Hockey, Boys and Girls Tennis, Boys and Girls Basketball, Boys Baseball. Other vacancies have been filled. Please return this advertisement to the Front Office if you are interested in Coaching one of the above stated teams.

South Australian Primary Schools Amateur Sports Association (SAPSASA) is run by the Department of Education and Child Development (DECD) to provide sports opportunities at school, district and state level. Burnside Primary School is part of the South East Adelaide SAPSASA District comprising of 16 schools including:

Anneley, Black Forest PS, Glen Osmond, Godwood PS, Highgate PS, Linden Park PS, Parkside PS, Seymour College, St John’s Lutheran – Highgate, St Raphael’s Parish – Parkside, Spyridon, St Thomas – Goodwood, Sunrise Christian – Fullarton, Unley PS & Walford

**SELECTION**

**Individual Events** that Burnside enter:

- Athletics
- Swimming
- Cross Country

These have a personal nomination system and children may need to be at a required level of performance to gain selection. There is usually a day for a district event, as well as a state day.

**Team events** that Burnside enter:

- Soccer
- Softball
- Tennis
- Cricket
- Football
- Basketball
- Hockey
- Netball
- Baseball

**School selection** is usually based on an after-hours trial(s) at a location usually within the school grounds or close by such as Newland Reserve and selections are made by coaches which are either a staff member and/or a parent.

**District selection** also has after school trials and again selection is made by coaches. There may be a number of these trials that are usually held at various local schools. Children who make district selection play in a carnival type event against other districts. The school coaches and SAPSASA Coordinator (Derek Ince – PE Teacher) will endorse a child’s nomination for district trials. The number of children sent to district trials and their responsible behaviour will help determine the children able to attend trials.

**State selection** – children who gain district selection are well placed to come under notice for state selection, although some sports such as diving, don't have school or district teams, however a student can enter the state diving championships if they are already training with a diving club.

It is not necessary to be selected in a district team to be considered at state level. State selection is done from formal trials.

Eligibility for state selection has ‘age rules’ because it is a national competition. Minimum age is 10 years old during 2013. Maximum age for team sports is 12 years old and cannot turn 13 during the year of the competition. Individual sports may have different maximum ages.

**COSTS**

District selection results in some time away from school, usually about 5 school days from 9am – 3:30pm at a venue somewhere in Adelaide. There are expenses associated with district selection, usually around $100.

State selection results in a week of events in another city or SA if it is Adelaide’s turn to host a carnival. Sometimes this happens during vacations. Costs can be significant if the carnival is interstate and vary according to the city, but are usually in the order of $1000 for air fares, uniforms etc.

Children who are selected for formal state SAPSASA teams are awarded $100 subsidies by Burnside Primary School.
