

2022 - 2024

School Improvement Plan Summary

Burnside Primary School

Site Number:0699

Goals	Targets	Challenge of Practice	Success Criteria
Goal 1: To increase the number of students in the high bands in Numeracy.	2022: 65% of Year 3 students (75/115) to achieve high bands in NAPLAN Numeracy 55% of Year 5 students (57/105) to achieve high bands in NAPLAN Numeracy	If we build teacher capacity to explicitly teach the language of mathematics and its application to problem solving, then we will increase the number of students in the high bands.	1.We will see each student understanding and applying the correct language of mathematics as detailed in Australian Curriculum. 2.We will see each student confidently verbalising and explaining their mathematical thinking. 3.We will see each student interpreting and accurately solving increasingly complex worded problems. 4.We will see each student setting learning goals based on feedback given to progress their Maths learning.
	2023: 70% of Year 3 students (80/115) to achieve high bands in NAPLAN Numeracy 60% of Year 5 students (63/105) to achieve high bands in NAPLAN Numeracy		
	2024: 75% of Year 3 students (86/115) to achieve high bands in NAPLAN Numeracy 65% of Year 5 students (68/105) to achieve high bands in NAPLAN Numeracy		
Goal 2: To increase the number of students in the high bands in Reading.	2022: 80% of Year 3 students (92/115) to achieve high bands in NAPLAN Reading 65% of Year 5 students (68/105) to achieve high bands in NAPLAN Reading	If we provide a consistent and integrated approach to explicit reading instruction, then we will increase the number of students in the high bands.	1.We will see each student confidently reading with engagement and understanding. 2.We will see each student setting learning goals based on feedback given to progress their reading and track and monitor their progress of these goals. 3.We will see each student explaining their understanding of spelling generalisations and morphological knowledge and applying them to accurately spell unfamiliar words.
	2023: 83% of Year 3 students (95/115) to achieve high bands in NAPLAN Reading 70% of Year 5 students (73/105) to achieve high bands in NAPLAN Reading		
	2024: 87% of Year 3 students (100/115) to achieve high bands in NAPLAN Reading 75% of Year 5 students (78/105) to achieve high bands in NAPLAN Reading
