

School Uniform Expectations

SCHOOL DRESS CODE

The Burnside Primary Governing Council has determined a dress code for all students. Traditionally there has been strong community support for students wearing gold and black with a sense of pride that is still valued today. The decision to introduce a uniform had regard to the views of parents and students and followed consultation with parents and students in accordance with instructions from the Minister.

The Governing Council's rationale for implementing a dress code includes;

- Safety reasons- students are easily identified in their school uniform at school and on excursions
- Community connectedness - uniforms quickly develop a sense of belonging to our school community
- Pride in school identity
- Social Justice reasons that limit competitiveness of wearing logos and fashionable items

Uniforms may be purchased from Brandmode, 83 Glen Osmond Road Eastwood. Detailed information is available on our website: [Uniform - Burnside Primary school \(burnsideps.sa.edu.au\)](http://Uniform - Burnside Primary school (burnsideps.sa.edu.au))

The Principal may consider exempting students from the dress code upon written request from a parent. Grounds on which parents may seek an exemption. You are invited to discuss any concerns with the principal.

Second Hand Uniform Items

We appreciate donations of second hand uniform items via the front office which are then offered for sale to families at a nominal cost with all proceeds going to the Parents and Friends Association. The Parents and Friends Association will manage all second hand uniform sales and choose the option of when to have specific days for sales to the school community.
